

51st Indian Summer Regatta & Isotope National Championship

Waccamaw Sailing Club – Lake Waccamaw, North Carolina

October 3–5, 2025

The 51st annual Indian Summer Regatta at Lake Waccamaw delivered ideal fall sailing and friendly competition. This year's event featured the 2025 Isotope National Championship and also served as a warm-up for the upcoming Weta North American Championships.

Seven races were completed in steady 10–12 knot breezes with smooth race management and great camaraderie throughout the fleets.

A total of 29 boats competed, including 11 Weta trimarans, 6 Isotope catamarans, 3 Hobie 17s, and 8 boats in the Open Multihull class. The racing was close across all fleets, with steady winds making for some of the best conditions in recent memory.

Highlights

- 2025 Isotope National Championship successfully hosted
- Warm-up event for the Weta North American Championships
- Seven races completed in steady, moderate wind
- Strong turnout across all multihull fleets
- Excellent race committee work and WSC hospitality

On Shore

Saturday evening's dinner at the clubhouse was filled with good food and great company. Sailors shared stories, compared tactics, and enjoyed the relaxed atmosphere that makes the Indian Summer Regatta a favorite stop on the fall schedule.
